

**ISUZU**  
**FLEXI-TRUCK**

The one truck you'll need to carry people and cargo everyday.

# ISUZU FLEXI-TRUCK

The Isuzu Flexi-Truck is the versatile truck for your everyday needs. It can transport at least 21 people, including the driver, and with the dual-split folding bench-type seats at the back, the Flexi-Truck easily converts into a cargo truck with dual rear doors to make loading and unloading an easy task.

Centro Manufacturing can customize your Flexi-Truck depending on your requirements. And since the Isuzu Flexi-Truck is based on Isuzu series of light trucks, you can count on its reliability and fuel-efficiency.
