

ULTRA[®] MAX II

The continuing evolution of Ultra Max performance, reliability, technology and quality.

CONTRACTOR

PROVEN QUALITY. LEADING TECHNOLOGY.

The New Ultra Max II

- **Smaller and Lighter DC Motors!**
 - **More Horsepower!**
 - **Higher Pressures!**
- **Larger Maximum Tip Sizes!**
- **Upgraded Digital Display!**
- **Improved SmartControl!**
 - **New Full Flow Filter!**
 - **New AutoCleanTM₂!**
- **Larger Endurance Pumps!**

A Revolution in High Performance Sprayers!

Ultra Max is the first name in high performance airless sprayers. We've done the impossible and built in even more performance, better user features, longer life, and increased efficiency. All this creates a remarkable evolution in Ultra Max quality. The NEW Ultra Max II — it just keeps getting better.

Ultra Max II – New and Improved Sprayers Deliver Better Results!

- Sprayers that support larger tips and higher pressures.
- Endurance™ Pumps deliver reliable performance and long life in extreme jobsite conditions.
- DC Motor and SmartControl technologies that deliver increased pressure and more consistent fan patterns.
- Additional features to increase ease in loading, moving, using, and cleaning.

Ultra Max II is built in the USA and backed by Graco® — the worldwide leader in contractor spraying equipment. You can expect years of the best in reliable performance from your Ultra Max II sprayer.

Proven Quality

- Ultra Max II improves on existing design with new features and technology.
- Quality built in the USA.
- 100% tested to guarantee Graco quality.

Maximum Performance

- Ultra Max II supports larger tips and higher spraying pressures.
- Double the horsepower and as little as half the amp draw.
- Maximum output for optimum results.

Longest Warranty

- Lifetime Motor and Drive Train Warranties.
- 3-Year coverage against defects.
- Products so reliable you may never need the warranty.

Unmatched Productivity

- Proven Endurance pump can be swapped out in minutes on the job.
- Technology and features to make the job go faster and easier.

For unmatched productivity, participate in our **NEW Endurance Advantage Program.**

(See inside for details)

G4 Quality

You'll find it inside and out.

Graco has an unwavering commitment to technical excellence and world-class manufacturing processes. That means every product boasts Graco quality inside and out. What does this mean for you? The reliability of a sprayer that works day after day, dependability to prime on every job, and performance for the high quality finish you've come to expect. You can count on Graco!

NEW DC Motor

- Up to 2X more horsepower capacity & draws fewer amps.
- Lighter weight and more compact design.
- Simple design with no motor brushes to wear.
- Totally-enclosed to protect from dirt, moisture, and overspray.
- Lifetime motor warranty – if it fails, we'll replace it – guaranteed.

NEW SmartControl™ Pressure Control

- Precise spray pressure control through the full range – from 400 psi (27.58 bar) up to maximum pressure.
- SmartControl continually monitors how you spray and responds in less than one second. Virtually no delay waiting for your sprayer to catch up, even when spraying with multiple guns.
- All the electronics are located away from the heat and vibration of the motor and are housed in a sealed box for ultimate protection.
- Higher spray pressures give you the power to spray tough coatings and run long hoses when you need to.
- No moving parts to wear, pack out, or freeze and damage!

NEW Upgraded Digital Display

- Pressure display
- Resettable Job Gallon Counter
- Lifetime Gallon Counter
- Auto Flush Timer
- Use to activate Watchdog Pump Protection System™ – shuts pump off automatically if sprayer runs out of paint.

NEW AutoClean₂

- New thread-on design is fast and simple to use!
- Large, molded grip is easy to turn!
- Reverse flushes the sprayer, then shuts off automatically with flush timer.
- Cleans out paint and debris without removing filters.
- Use with Auto Flush Timer and sprayer flushes up to 20% faster during cleanup!

Full Flow Filter

- Easy Out™ Filter captures debris inside, so filters won't get stuck
- Full flow design uses entire mesh for better filtering and faster flushing during cleanup

DURABLE CART

Welded Steel Cart

CHROME-PLATED WITH REINFORCED GUSSETS TO WITHSTAND RUGGED ENVIRONMENTS

Retractable Handles

DOUBLES AS HOSE RACK — COIL UP TO 300 FT (91 M) OF 1/4 IN (6 MM) HOSE

Lift Handles

FOR SOLID GRIP AND EASY LOADING

Sturdy Semi-Pneumatic Wheels

ROLL SMOOTHLY AND WON'T GO FLAT

Endurance™ Pump

- Proven Graco design delivers longer life and reliable performance.
- Chromex™ Pump Rods are 4x harder than ordinary chrome.
- Pump Rod and Sleeve wear independently — lower overall maintenance costs.
- Endurance Pump performs consistently from start to finish, year after year.
- Continually improving technology in wear parts ensures lasting durability even in the harshest applications.

Quick Knock-off Foot Valve

- NO SPECIAL TOOLS TO ACCESS INLET BALL

- EASY TO CLEAR OBSTRUCTIONS OR SERVICE THE PUMP IN THE FIELD

Reversible Inlet Seat
TWICE THE USEFUL LIFE

You asked...we listened!

Convenient pail hook moves
the bucket for you

Welded-steel cord wrap
with cord clip for convenient
storage

New Lo-boy cart design is
compact, low profile, and
simple to use

Hand-removable inlet tubes

NEW Tilt Back Feature!

Sprayer kickstand allows convenient, one person bucket change or coiled hose removal.

G4 Warranty

• Lifetime Motor Warranty	If the Motor fails from normal use, we'll replace it under warranty for the original owner for the life of the sprayer.
• Lifetime Drive Warranty	If the Drive Train fails from normal use, we'll replace it under warranty for the original owner for the life of the sprayer.
• 3-Year Warranty	Coverage against defects in materials and workmanship on the entire sprayer.
• 30-Day "Just Add Paint" Replacement Guarantee	Dissatisfied? Simply return sprayer to the place you bought it within 30-days. They'll either exchange it for an identical sprayer or you can trade up to a larger sprayer at an extra cost.
• Downtime Eliminator Program	Part needed for a warranty repair not in stock at your distributor? Get FREE next business day air freight delivery when distributor orders the part by 2 p.m. CST.

G4 Productivity

Because you have to keep spraying!

Graco understands — when your sprayer goes down so does your job. That's why we create programs and products to support you.

DOWNTIME COSTS MONEY:

- Inconvenient turnaround time.
- Unplanned and expensive rental expenses.
- Inconvenient and costly service center trips.
- Lost hours and dollars in idle manpower.

GRACO'S COMMITMENT TO PRODUCTIVITY MEANS:

- Uniquely designed, quick knock-off lower.
- Quick replacement. No special tools.
- You are up and spraying in minutes not days.

Time is money — and with the Endurance Advantage™ program, Graco delivers both!

ENDURANCEADVANTAGE™ Program

Purchase an Ultra Max II and you can purchase an Endurance Pump for \$2000, that's 85% below list price! Keep a spare on hand to save yourself time and money on every job. If you'd rather repack your own pump, we'll let you choose a free Repair Kit instead.

No matter what your choice, you'll soon discover how quickly and easily the knock-off lower gets you up and spraying!

The Endurance Advantage Program is available in U.S. and Canada only.

ABOUT GRACO

PROVEN QUALITY. LEADING TECHNOLOGY.

Founded in 1926, Graco is a world leader in fluid handling systems and components. Graco products move, measure, control, dispense and apply a wide range of fluids and viscous materials used in vehicle lubrication, commercial and industrial settings.

The company's success is based on its unwavering commitment to technical excellence, world-class manufacturing and unparalleled customer service. Working closely with qualified distributors, Graco offers systems, products and technology which set the quality standard in a wide range of fluid handling solutions. Graco provides equipment for spray finishing, protective coating, paint circulation, lubrication, and dispensing sealants and adhesives, along with power application equipment for the contractor industry. Graco's ongoing investment in fluid management and control will continue to provide innovative solutions to a diverse global market.
